

## PREPARE FOR YOUR CRUISE

### MUST-DO'S BEFORE YOU CRUISE

First things first, make sure you have your travel docs in order, including government issued photo ID, passports, visas and other mandatory [documents required to travel](#). We strongly recommend that you bring a valid passport if your itinerary visits a non-U.S. port. A passport is required for all international travel.

Have special needs or dietary restrictions? All of our ships have designated staterooms to accommodate wheelchairs and guests with hearing impairments. We can accommodate special food requests (Gluten-Free, Vegetarian, Kosher) if we're notified in time. Let our [Access Desk](#) know you're coming at least 8 weeks prior to cruising to ensure the best experience possible.

Last but not least, [Log In to My NCL](#) to complete online check-in, download eDocs, reserve Shore Excursions, Dining, Entertainment\* & Spa\* in advance. If you booked your cruise reservation with a Travel Agent or an online travel website, create an account on NCL.com and answer the questions under "Create a New Account". You will be prompted to provide your reservation number so it can be added to your account for you.

## PACKING FOR THE JOURNEY

### WHAT TO WEAR

On Norwegian, you can pretty much wear what you want to wear, when you want to wear it. Go cruise casual or get all-decked out and look your best — it's totally your call. That's the freedom of Freestyle Cruising.

### *DRESS FOR THE DESTINATION*

Whether your destination is warm and sunny or crisp and cool, packing layers will your best bet. Also think about the shore excursions you'll be taking and pack accordingly, including comfy walking shoes. For kids and adults it's good to pack a pair of closed toe shoes for active shore excursions and sports activities on board. And be sure to pack a sweater — the air conditioning can be chilly.

### *DRESS FOR THE EVENT*

Our newest event, Norwegian's Night Out, is the perfect opportunity to get dressed up for an evening of cocktails, fine dining and great entertainment. You may also want to pack an all-white ensemble for our iconic White Hot Party.

### *CRUISE CASUAL*

Dress cruise casual anytime during the day, in the buffet and in most specialty restaurants. For women, it includes summer and casual dresses, skirts, regular or capri pants, shorts, jeans and tops. Khakis, jeans, shorts and casual shirts are fine for men.

### *SMART CASUAL*

Dress smart casual in our more formal dining room or in our more upscale specialty restaurants. For women, it includes slacks or jeans, dresses, skirts and tops. For men, it's jeans or slacks with a collared shirt and closed-toed shoes.

### *A FEW DINING CONSIDERATIONS*

Kids 12 and under are welcome to wear nice shorts in all our restaurants. However, tank tops for men, flip flops, baseball caps, visors and jeans that are overly faded with holes or tears and worn below the hips are not permitted in main dining rooms or specialty restaurants.

### *LAUNDRY/DRY CLEANING*

For your convenience, we offer laundry and dry-cleaning services. Express, same-day service is also available. Just complete the order form in your stateroom and your stateroom steward will pick up your laundry and return it to you clean and folded.

## PERSONAL ITEMS

Be sure to pack your medications or any medical equipment you may need to use. Also, since your suitcases are collected the night before you leave the ship to return home, remember to set aside any need-to-have items.

### *ELECTRONICS*

Remember all of your tech stuff:

- Tablets
- Chargers
- Cameras
- Spare memory cards
- Batteries
- Power converters

### *FORGET SOMETHING?*

We've got you covered! We have items including toiletries, books, clothes, baby needs and more all available for purchase on board.

## WHAT TO LEAVE AT HOME

Guests are [not allowed to bring](#) on board alcoholic beverages (except for wine & champagne which is subject to a [corkage fee](#)), firearms, weapons of any kind, ammunition, explosive substances or any goods of a dangerous nature, nor animals of any kind, except service or guide animals.

## WINE & CHAMPAGNE

Guests may bring bottles of wine and champagne on board; however these bottles are subject to a [corkage fee](#). Consider one of our beverage packages, which offer real value compared to purchasing your drinks separately. [Log In to My NCL](#) and go to Gifts & More to purchase in advance.

## ORGANIZE YOUR LUGGAGE

Each guest is allowed **two** pieces of checked luggage with a 50-pound maximum each, same as airlines. Luggage should be clearly labeled with your name, address and contact number. Luggage tags will be provided to print on the last page of your eDocs.

## BRING A SMALL OVERNIGHT BAG

Since suitcases are collected the last night of your cruise, don't forget a small overnight bag for carrying any necessary medication, valuables, important documents and need-to-have items.
